EXECUTIVE SUMMARY

BUILDING TODAY. POWERING TOMORROW.

Brown Moon Corporation (BMC) is a dynamic and rapidly growing company specializing in construction, infrastructure development, IT solutions, advance surveillance systems, solar systems for commercial and industrial use, water station setup, pest control and energy-related products such as diesel trading as well as rice grain trading.

Established in the early 1920s, the company has evolved from a construction services provider into a fully integrated solutions partner supporting large-scale development and reclamation projects.

ESTABLISHED

Early 1920s

A dynamic and rapidly growing company built on experience, agility, and innovation.

DYNAMIC & RAPIDLY GROWING

Expanding capabilities across multiple industries to meet evolving market needs.

NATIONWIDE REACH

Strategically located sourcing and delivery network across Luzon, Visayas, and Mindanao.

OUR COMMITMENT

We deliver efficient, innovative, and sustainable solutions with a strong focus on quality, safety, and environmental stewardship.

CORE BUSINESS SEGMENTS

CONSTRUCTION & INFRASTRUCTURE DEVELOPMENT

End-to-end solutions for residential, commercial, and large-scale infrastructure projects.

MARINE SAND, ARMOR ROCK & AGGREGATES SUPPLY

High-quality materials for reclamation, coastal protection, and construction.

DREDGING & RECLAMATION SUPPORT

Efficient and environmentally responsible solutions for land development and shoreline stabilization.

IT SOLUTIONS & ADVANCED SURVEILLANCE SYSTEMS

Technology-driven systems for security, monitoring, and operational efficiency.

SOLAR SYSTEMS (COMMERCIAL & INDUSTRIAL)

Sustainable and efficient solar energy solutions that reduce costs and support a greener future.

WATER STATION SETUP & ENVIRONMENTAL SERVICES

Turnkey solutions for water access, treatment, and distribution systems.

PEST CONTROL SERVICES

Reliable and compliant pest management for residential, commercial, and industrial clients.

ENERGY & TRADING SOLUTIONS

Supply and trading of diesel and energy-related products to power industries and operations.

RICE GRAIN TRADING

Supplying quality rice grains to support local markets and food security.

OUR STRENGTHS

DIVERSIFIED CAPABILITIES

Wide range of integrated solutions across high-impact industries.

NATIONWIDE OPERATIONS

Strong network for reliable sourcing and timely delivery.

EXPERTISE & EXPERIENCE

Skilled team with deep industry knowledge and proven execution.

QUALITY & SAFETY FOCUS

Committed to the highest standards in every project and service.

SUSTAINABILITY

Environmentally responsible practices for a better future.

STRATEGIC PIPELINE

NEW MANILA INTERNATIONAL AIRPORT (NMIA)

Supplying essential materials for large-scale reclamation and development.

265-HECTARE PASAY CITY HARBOR CENTRAL RECLAMATION

Supporting coastline expansion with quality materials for stability and resilience.

318-HECTARE WATERFRONT CITY RECLAMATION

Providing materials for the development of a modern, sustainable waterfront urban hub.

WHO WE SERVE

GOVERNMENT & PUBLIC SECTOR AGENCIES

Partnering on infrastructure and nation-building projects.

RECLAMATION & COASTAL DEVELOPERS

Supplying critical materials for land reclamation and coastal protection.

RESIDENTIAL & COMMERCIAL DEVELOPERS

Supporting large-scale residential, commercial, and mixed-use developments.

GENERAL CONTRACTORS & SUBCONTRACTORS

Providing reliable materials and solutions for construction execution.

INDUSTRIAL & COMMERCIAL ENTERPRISES

Delivering essential products and services to power operations and growth.

PROVEN TRACK RECORD

BMC has contributed to numerous high-profile developments in partnership with leading industry players.

SM DEVELOPMENT CORPORATION

PRIME HOLDINGS

5+ YEARS IN OPERATION

100+ DEDICATED PROFESSIONALS

EXTENSIVE FLEET & EQUIPMENT

COUNTLESS SUCCESSFULLY DELIVERED PROJECTS

Brown Moon Corporation is a trusted partner in nation-building—driving infrastructure, energy, and development forward with scale, innovation, and reliability.

CORE SECTORS

Brown Moon Corporation

is a dynamic and rapidly growing company specializing in construction, infrastructure development, IT solutions, advance surveillance system, solar systems for commercial and industrial use, water station setup, pest control and energy-related products such as diesel trading and as well as rice grain trading. Established in the early 2020s, the company has evolved from a construction services provider into a fully integrated solutions partner supporting large-scale development and reclamation projects.

With a strong foundation in engineering, logistics, and project execution, Brown Moon delivers end-to-end solutions — from sourcing and supply of aggregates to infrastructure implementation and energy support services.

Strategically headquartered in Bonifacio Global City, the company supports both public and private sector projects across the Philippines. With a strong leadership team and extensive industry experience, Brown Moon Corporation delivers high-quality aggregates, construction solutions, and energy support services — positioning itself as a reliable partner in large-scale developments such as reclamation, transport infrastructure, and industrial projects.

Mission & Vision

MISSION

To deliver high-quality materials, infrastructure solutions, and energy support services that exceed client expectations through innovation, efficiency, and integrity.

VISION

To become a leading integrated corporation in Materials, Infrastructure, and Energy — recognized for excellence, reliability, and sustainable development across the Philippines and beyond.

Our Partners

Brown Moon Corporation works alongside specialist partners across dredging, construction consultancy, and logistics to deliver integrated, end-to-end project support.

CONSTRUCTION COMPANY Brown Moon Construction Services

Sister company for construction and material sourcing for reclamation projects.

DREDGING & MINING Riversea Mining Private Limited

Marine dredging and mining specialist based in Singapore, supporting offshore sourcing and marine sand operations.

TRUCKING & HAULING SERVICES LTF Trucking & Hauling Services

Land logistics partner since 2017, handling overland haulage and distribution of aggregates and materials.

Our Partners

Brown Moon Corporation works alongside specialist partners across dredging, construction consultancy, and logistics to deliver integrated, end-to-end project support.

ELEVATOR & ESCALATOR SERVICES

Rockspeed Elevator and Escalator Corporation

Vertical transport solutions provider specializing in elevator and escalator supply, installation, maintenance, and related building mobility services..

MARITIME TRAINING & DEVELOPMENT

Mariners Polytechnic Colleges Foundation, Inc.

Training and development partner focused on maritime education, professional instruction, and skills formation for seafarers and related industries.

MARITIME SERVICES

Virtue Maritime

Maritime services partner supporting marine operations, vessel-related coordination, and offshore logistics requirements.

Our Partners

Brown Moon Corporation works alongside specialist partners across dredging, construction consultancy, and logistics to deliver integrated, end-to-end project support.

**PROFESSIONAL SERVICES AND TIC
INDUSTRY
W3 Solutionz**

Specializes in global ISO certification, compliance auditing, ESG (Environmental, Social, and Governance) consulting, and training, here are a few options for their short description depending on how formal you need it to be.

REAL ESTATE SERVICES

TK Group

The TK Group is a real estate team operating in Greater Vancouver, affiliated with Real Broker.

CONSTRUCTION SERVICES

B+B Construction and General Services

Professional building, remodeling, and reliable maintenance solutions tailored to your needs. From groundwork to finishing touches, we get the job done right.

Our Partners

Brown Moon Corporation works alongside specialist partners across dredging, construction consultancy, and logistics to deliver integrated, end-to-end project support.

HEAVY MACHINERY & INDUSTRIAL MANUFACTURING

SANY Group

A massive multinational heavy machinery manufacturing company based in China, One of the largest heavy equipment manufacturers in the world, fiercely competing with industry giants like Caterpillar and Komatsu.

HEAVY MACHINERY & INDUSTRIAL MANUFACTURING

BLT Brilliant

A massive global player, manufacturing everything from high-speed passenger lifts to heavy-duty commercial escalators for airports, subways, and skyscrapers.

CONSTRUCTION MANAGEMENT & CONSULTANCY

368 Consultancy Solutions OPC

Engineering and consultancy partner providing construction management support across project delivery.

Our Partners

Brown Moon Corporation works alongside specialist partners from cutting-edge IT solutions to world-class talent acquisition, we provide the expertise your business needs to thrive project support.

PREMIER IT SOLUTION COMPANY

**WeSupport Incorporated
Group**

WeSupport Incorporated is a premier IT solutions and manpower services provider operating across the Philippines, Thailand, and Singapore. We deliver innovative technology solutions, strategic consulting, and world-class talent to help businesses thrive in the digital age.

**GLOBAL PROVIDER OF
TELECOMMUNICATIONS EQUIPMENT**

ZTE Corporation

ZTE Corporation is a leading global provider of telecommunications equipment, networking solutions, and smart devices. Their technology spans everything from 5G carrier networks to consumer electronics.

**SMART CONSUMER ELECTRONICS AND
HOME APPLIANCES**

Skyworth Group Co., Ltd

Skyworth Group Co., Ltd. is a leading global technology company specializing in smart consumer electronics and home appliances, founded in 1988 and headquartered in Shenzhen, China. Best known for its advanced television technologies, the brand provides affordable, high-quality entertainment solutions in over 100 countries.

Our Partners

Brown Moon Corporation works alongside with companies that gives results and reliability.

**PREMIUM AUDIO SOLUTIONS AND
PROFESSIONAL EVENT SOUND SERVICES**

PBH SOUND SYSTEM RENTAL

PBH Sound System Rental delivers premium audio solutions and professional event sound services designed to elevate every occasion. They provide high- quality sound systems, professional microphones, mixers, speakers, and reliable technical support for corporate events, weddings, concerts, parties and special events across the Philippines.

PROFESSIONAL EVENT PRODUCTION.

LUMINA EVENTS PH

Lumina Events PH is a professional events and production specializing in creating memorable, well-executed celebrations and corporate occasions. Sound and lights, stage setup and event production.

ECB

Pest Control Services

**Professional Pest
Management Solutions**

ECB PEST CONTROL SERVICES

ECB Pest Control Services provides reliable, professional and effective pest management solutions for residential, commercial and industrial properties.

SERVICES & PRODUCTS

PRODUCTS & SERVICES

Integrated Products & Trading Solutions

Solar Energy Solutions

Sustainable solar systems for commercial and industrial use.

Heavy Equipment – SANY

Excavators, cranes, and machinery for large-scale projects.

Air Condition Sales and Installation

Air Conditioning Sales and Installation business provides commercial and residential cooling solutions by retailing AC units and providing professional setup services.

Elevators & Escalators – BLT

Efficient vertical transport systems.

Surveillance Systems – ZTE

Advanced CCTV and smart monitoring.

Pest Control Service

A Pest Control Service is a specialized business that manages, eliminates, and prevents unwanted organisms like termites, rodents, cockroaches, and bedbugs from residential and commercial properties.

Petroleum Products Trading

Diesel, gasoline, and lubricant supply.

Rice Importation & Trading

Premium rice sourcing and distribution.

Sounds System, Lights and Stage setups

PBH Sound System Rental

LUMINA EVENTS PH

IT Solutions and Support

From cutting-edge IT solutions to world-class talent acquisition, we can provide the expertise your business needs to thrive.

Water Station Setup

A water refilling station setup is a commercial facility that filters raw water through a multi-stage purification system (including sediment filters, activated carbon, and reverse osmosis) to produce clean, safe drinking water..

High Quality sound systems, professional microphones, mixers, Speakers, stage setups and reliable technical support for various Types of events.

SERVICES & PRODUCTS

PRODUCTS & SERVICES

SOLAR ENERGY SOLUTIONS

Sustainable and cost-efficient solar systems for commercial, industrial, and infrastructure projects. We provide supply, installation, and maintenance of solar technologies that promote clean energy and long-term savings.

HEAVY EQUIPMENT SUPPLY – SANY

We supply world-class heavy equipment from SANY, including excavators, cranes, loaders, bulldozers, and road machinery—built for high performance, durability, and efficiency in demanding construction and reclamation projects.

ELEVATORS & ESCALATORS – BLT

Advanced vertical transportation systems from BLT Elevator, including passenger and freight elevators, escalators, and moving walkways—designed for safety, efficiency, and modern building integration.

SURVEILLANCE & SECURITY SYSTEMS – ZTE

Intelligent security and surveillance solutions from ZTE, including CCTV systems, integrated monitoring platforms, and smart infrastructure technologies that enhance safety, security, and operational control.

PETROLEUM PRODUCTS TRADING

We trade and supply high-quality petroleum products, including diesel, gasoline, lubricants, and industrial fuels. Our network ensures reliable sourcing, competitive pricing, and consistent delivery.

RICE GRAINS IMPORTATION & TRADING

We import and distribute premium-grade rice in bulk to support food supply stability. Quality assured, efficiently handled, and competitively priced to meet the needs of public and private sectors.

AIRCONDITIONING SALES, INSTALLATION & SUPPORT

We provide energy-efficient airconditioning units, professional installation, and reliable after-sales support for homes, offices, and industrial facilities.

WATER STATION SETUP

We set up complete water refilling stations including filtration equipment, installation, and maintenance support—delivering clean, safe, and affordable drinking water.

PEST CONTROL SERVICES

Effective and safe pest management solutions for residential, commercial, and industrial properties. We provide regular treatment, inspection, and preventive solutions to ensure a clean and pest-free environment.

SERVICES & PRODUCTS

PRODUCTS & SERVICES

Expanded Products & Solutions Portfolio

To strengthen our position as a comprehensive solutions provider, **Brown Moon Corporation** is expanding its offerings through strategic partnerships with globally recognized manufacturers:

Solar Energy Solutions

We provide sustainable solar energy systems for commercial, industrial, and infrastructure projects.

Our solutions include:

- Solar panel supply and installation
- Hybrid and off-grid systems
- Energy efficiency and cost-reduction solutions

This supports our commitment to environmental stewardship and sustainable development.

SERVICES & PRODUCTS

PRODUCTS & SERVICES

Heavy Equipment – SANY

Through our partnership with SANY Group, we supply **world-class heavy machinery** for construction, dredging, and reclamation projects, including:

- Excavators
- Cranes
- Loaders and bulldozers
- Concrete and road machinery

Ensuring **high performance, durability, and operational efficiency** for large-scale projects.

SERVICES & PRODUCTS

PRODUCTS & SERVICES

Elevators & Escalators – BLT

We offer vertical transportation solutions from BLT Elevator, including:

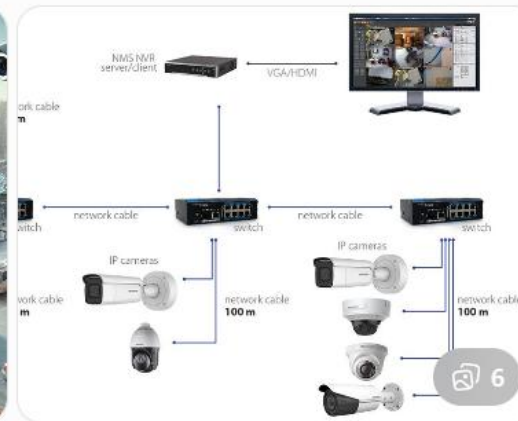

- Passenger and freight elevators
- Escalators and moving walkways
- Smart and energy-efficient systems

Ideal for **high-rise buildings, commercial centers, and infrastructure developments.**

SERVICES & PRODUCTS

PRODUCTS & SERVICES

Surveillance & Security Systems – ZTE

In collaboration with ZTE Corporation, we deliver advanced **security and surveillance solutions**, such as:

- CCTV and integrated monitoring systems
- Smart city surveillance technologies
- Network and data infrastructure for security

Enhancing **safety, monitoring, and operational control** across projects.

SERVICES & PRODUCTS

PRODUCTS & SERVICES

Petroleum Products Trading

PETROLEUM PRODUCTS TRADING

We trade and supply a wide range of petroleum products to meet the energy requirements of various industries and businesses.

DIESEL

GASOLINE

LUBRICANTS

FUEL SUPPLY

Reliable sourcing • Consistent quality • Timely delivery

- Diesel, gasoline, lubricants, and fuel supply

SERVICES & PRODUCTS

PRODUCTS & SERVICES

Rice Grains Importation & Trading

RICE GRAINS IMPORTATION & TRADING

We import and distribute high-quality rice grains in bulk, ensuring a stable supply for wholesalers, retailers, and institutional clients.

**BULK
IMPORTATION**

**PREMIUM
QUALITY**

**EFFICIENT
STORAGE**

**NATIONWIDE
DISTRIBUTION**

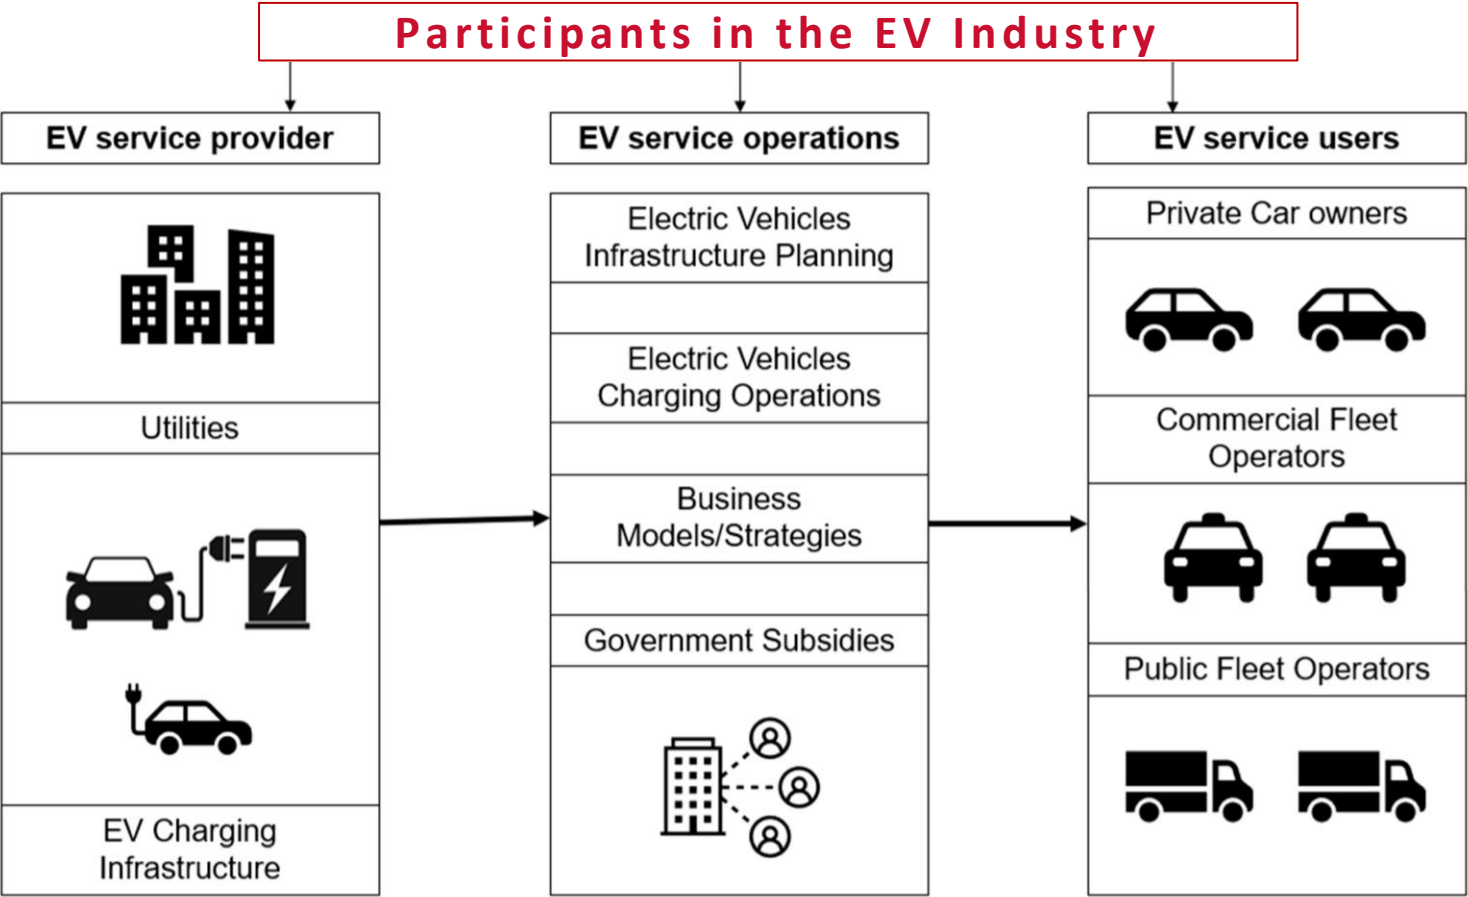

Consistent supply • Quality assurance • Competitive pricing

- Bulk importation and distribution of rice

SERVICES & PRODUCTS

PRODUCTS & SERVICES

Electric Utility Vehicles

Learning Course, Reviewing on Various Practices and Industries

Core Functions of an LMSAdministration:
Managing users, courses, roles, and instructor workflows. Content Delivery: Hosting and presenting learning materials like videos, text, and quizzes. Tracking & Reporting: Monitoring learner progress, completion rates, and test scores. Training: Providing a centralized platform for employee onboarding and skills development.

Materials/Commodities Trading & Distribution

Crushed Stone

Available in multiple sizes. Used for foundations, drainage, road base, and as an aggregate for concrete mixes.

Base Course

Used in road construction and civil engineering projects to provide a solid and stable base.

Boulders

For erosion control, landscaping, retaining walls, and structural support in construction.

Armor Rock

Coastal defense, shoreline protection, and breakwater construction against wave action and erosion.

Marine Sands

Land reclamation, beach nourishment, and coastal development — a high-quality aggregate for waterfront construction.

High-volume supply

Reliable sourcing network

Nationwide delivery logistics

Infrastructure, Energy & Power Support

CONSTRUCTION & INFRASTRUCTURE

- Civil Works & Site Development
- Road & Bridge Construction
- Land Reclamation Support
- Industrial & Commercial Projects
- Project Management
- IT Infrastructure Equipment and Services
- Elevators and Support Equipment
- Heavy Equipment

CAPABILITIES

- ✓ End-to-end execution
- ✓ Engineering-driven solutions
- ✓ Regulatory compliance

PETROLEUM & ENERGY SUPPORT

- Fuel Supply & Distribution
- Equipment Fueling Solutions
- Energy Logistics Support

CAPABILITIES

- ✓ Strategic partnerships
- ✓ Efficient fuel management
- ✓ Scalable operations

POWER GENERATION SUPPORT

- Temporary & mobile power solutions
- Industrial energy systems
- Backup power supply
- Solar Panels

CAPABILITIES

- ✓ Reliable energy solutions
- ✓ Continuous operational support

Key Strengths

Strong supply chain for reclamation and infrastructure materials

Access to multiple quarry and marine sand sources

Experienced engineering and operations leadership

Integrated logistics across marine and land transport

Competitive pricing with scalable capacity

Aggregates Carrier Mode

A. When functioning as an aggregates carrier, every vessel is loaded with aggregates at the designated loading port.

B. Secure the cargo in every hopper cargo hold and carry out the volumetric survey of the materials loaded.

C. Plan the voyage, considering factors like weather, navigation, and safety.

D. During transit, monitor the seaworthiness of the carrier, cargo stability and safety.

VESSELS OVERVIEW

Our specialized vessels are designed to excel across roles — transporting aggregates, executing precise dredging operations, and functioning as a versatile 3-in-1 pelican barge — adaptable to a diverse array of marine tasks while adhering to environmental standards.

3-in-1 Pelican Barge Mode

A.

In a pelican barge mode, the vessel can carry or load various aggregate cargoes.

B.

Rig the vessel with suitable cranes, winches, and lifting gear.

C.

Load and secure the cargo safely, adhering to weight and stability guidelines.

D.

Transport the cargo to the designated location, taking into account the specific requirements of the operation.

Our Construction Commodities

Armor Rocks

Large dimension stone for coastal protection and breakwater works.

Marine Sand

High-quality sand dredged for reclamation and construction fill.

Lahar Sand

Volcanic sediment sourced for concrete and construction aggregate.

Vibro Sand

Processed sand for engineered fill and compaction applications.

Quarry & Marine Sand Sourcing Network

Antipolo, Rizal

Armor Rocks MPSA Area, with MPSA and ECC permits

Bataan

Armor Rock and Marine Sand

Balabagan, Lanao

Marine Sand

Busuanga River, Mindoro

Marine Sand

Estinu, Sulu

Quarry Materials

Target Market

Brown Moon Corporation caters to a diverse range of clients across various sectors.

RESIDENTIAL DEVELOPERS

We partner with developers building single-family homes, multi-family units, and residential communities — ensuring timely project completion and quality results.

GOVERNMENT & PUBLIC SECTOR

We work with government agencies and public sector organizations on infrastructure projects, including roads, bridges, and public facilities.

RECLAMATION PROJECTS

We focus on land recovery and development of previously unusable areas, supplying high-quality marine sands and aggregates for sustainable development.

GENERAL CONTRACTORS & SUBCONTRACTORS

We supply construction materials and aggregates to contractors and subcontractors who require reliable sources at competitive pricing.

Completed Projects

Project	Location	Client	Scale	Scope
Gold Reso	Pascor Drive, Sucat, Parañaque	Summerspring Development Corp.	99,300.82 sq.m — 2,050 units	CM & QS Services
Green Residences	Taft Avenue, Manila	SM Development Corporation	129,899.30 sq.m — 3,378 units	CM & QS Services
S Residences	Brgy. 76, CBP-1A, Pasay City	SM Development Corporation	123,699.79 sq.m — 2,395 units	CM & QS Services
Style Residences	Mandurriao, Iloilo City	SM Prime Holdings Inc.	116,009 sq.m — 2,934 units	CM & QS Services
Fame Residences Ph. 2 (T3 & 4)	EDSA cor. Mayflower St., Mandaluyong City	SM Development Corporation	89,917.56 sq.m — 2,544 units	CM & QS Services

Incoming Projects

New Manila International Airport

Supplying armor rocks, marine sand, boulders, and other aggregates for the reclamation efforts associated with the NMIA project — creating stable land structures and effective shoreline protection.

265-Hectare Pasay City Harbor Central Reclamation

Supplying armor rocks, marine sand, boulders, and other materials to ensure stability and resilience of reclaimed areas for this coastline expansion initiative.

318-Hectare Waterfront City Reclamation

Supplying armor rocks, marine sand, and boulders for land reclamation, supporting a modern, sustainable waterfront urban hub.

Unique Selling Proposition

Comprehensive Expertise

Extensive experience and specialized knowledge applied to every project, ensuring the highest standards of quality and precision.

High-Quality Sand Supply

A trusted supplier of premium river and sea sand, delivering top-grade materials that meet stringent quality standards.

Innovative Solutions

State-of-the-art dredging equipment and cutting-edge techniques, providing efficient and environmentally responsible solutions.

Environmental Stewardship

Sustainability and environmental protection prioritized across all operations, from dredging to coastal restoration.

Comprehensive Dredging Services

A full range of dredging services — waterway maintenance, land reclamation, and dam dredging — with tailored, expert solutions.

Unique Selling Proposition

Expert Logistical Support

In-depth logistical expertise guaranteeing seamless project execution, from planning and delivery to on-site management.

Client-Centered Approach

Dedicated to building long-term relationships through exceptional service, personalized solutions, and exceeding expectations.

Commitment to Safety

Stringent safety protocols and industry best practices protect our workforce, clients, and the environment on every project.

Global Reach

Capable of serving both local and international markets, well-positioned to meet the diverse needs of clients worldwide.

Proven Track Record

A successful history of delivering complex projects on time and within budget — a trusted partner for dredging and supply needs.

Health & Safety

As a reputable construction company providing a variety of services, we look forward to providing sustainable, cost-efficient solutions to our customers — and in turn, reaching greater success together.

The efficacy of our re-handling methodology is determined on the basis of visiting several similar construction reclamation sites, drawing on actual efficiency data from China, Singapore, and Europe — jurisdictions that operate on very mature technology. The operations process has little to non-adverse consequences to the environment and marine life. We aim to be your ideal partner for the supply of marine sand and armor rock on your reclamation project.

Why You Choose Us?

Innovation-Driven

We embrace innovation and conduct thorough research to understand and address the specific needs of every client — while offering competitive pricing in the market.

Hands-On Management

Our management team is deeply involved in every project, overseeing architectural and structural design through purchasing and on-site management for a comprehensive approach.

Accessible & Responsive

We prioritize being accessible and responsive, addressing concerns promptly so clients feel supported at every stage — turning their vision into reality.

THANK YOU

**Building Better Solutions,
Elevating The Future.**
